There is joy in making this property your very own for that special day and Wollombi Barnstay is pleased to able to be a part of that.

The Barnstay provides the perfect back-drop and blank canvas for couples looking for a relaxed wedding.

We have some exciting things happening at the Barnstay in 2017 which we can't wait to share with you.

We are a family run business and pride ourselves on making sure everything runs smoothly and your special day is every-thing and more that you wished for.

We look forward to showing you around.

New and exciting developments for 2017/8

With 100 acres at your disposal, our property is booked out on an exclusive basis with you and your guests enjoying the use of the property and its facilities.

In Q3 2017, we will have available to couples our **lakeside pavillion ,** an undercover architect designed space ideal for both ceremonies, post wedding drinks or a spot of fishing or yoga the day after.

In Q4 2017, we will also open our new indoor function space, which will feature soaring ceilings, large bar, indoor fireplace, outdoor firepit and outdoor undercover pergola for dancing or lounging the night away. The space will be able to cater from 60 to 180 people depending on the configeration. It will be all primed ready for you to put your creative styling touches.

I am serious when I say there will be nothng like it in the Hunter Valley. Beautiful and elegant with a dash of rustic charm and utter coolness.

And the best thing is, with newly renovated onsite self contained accommodation for up to 20 people and glamping allowed, you really will feel at home at the place. There is also plenty of accommodation nearby and local transport options to get your guests to and from the Barnstay.

While our indoor space is being built, the property will continue to be a marquee only venue.
