

WOLLOMBI  
**BARN**  
STAY  
WEDDINGS

## Prices 2017-2018

**At the Barnstay, you are not just having a wedding, you are having a fantastic weekend away with friends & family, creating memories for a lifetime.**

Thank you for looking a Wollombi Barnstay as the venue for your big day.

We have some exciting things happening at the Barnstay in 2017 and we can't wait to share them with you – this place just keeps on getting better and better as they say!

In August 2017, our **new lakeside covered pergola** will be ready, providing an additional ceremony space or a great spot for post wedding drinks. The day after - well perhaps use it for a spot of fishing or striking that yoga pose.

Late Q4 2017 we will also open our **new indoor function space** (we are still deciding on a name – ideas anyone?).

There is no other word to describe it but simply beautiful and elegant with a hint of that rustic charm that everyone loves. With soaring ceilings, indoor fireplace, outdoor fire pit and outdoor covered dancefloor /chill zone, there will be nothing like it in the Hunter valley when it is completed. For those interested, I can certainly share some plans with you.

Many of you know that over the past 12 months, the accommodation has slowly been updated, the latest being, brand new bathrooms. The final phase, updated bedrooms should be completed in 2017 or early 2018 as well. I told you it was quite a year...

On a serious note though, I would like to say how much joy hosting our couples has been and continues to be at the property. After 13 years of slogging it out in the garden, learning how to drive a bob cat, back hoe, tractor, fence, tile, paint, you name it, it brings a huge rewarding smile to our faces when you choose us for your special day.
